EARTHENWARE

CATALOGUE

Des Rêves is a French earthenware manufacturer that aims to breathe new life into the historic skills of Desvres earthenware.

Each piece from the Des Rêves workshop is a testament to the fusion of the old and the new, a celebration of local know-how, history and the timeless pleasure of beautiful tableware.

We make our pieces by hand, in Desvres. For the pleasure of being together, setting a beautiful table, entertaining, feeling at home and indulge. So that the tableware evokes and creates memories.

The logo for Des Rêves, featuring the words "DES" and "RÊVES" stacked vertically in a bold, blue, hand-drawn, sans-serif font. The letters are slightly irregular and have a textured appearance, giving it a rustic and artisanal feel.
