GARNIER THIEBAUT
 1833

Garnier Thiebaut, founded in 1833 in the heart of the Vosges region in France, has pioneered many of the textile industry's design and technology inventions for the production of fine linens. Today the company's modern plants in Gérardmer are Europe's most advanced manufacturing centers for the design, color and production of fine linens for the hospitality industry and the home. Renowned for their luxurious damask and printed designs, Garnier Thiebaut linens make an immediate impact with their vivid colors and unique patterns.

HOTEL COLLECTION
 by GARNIER THIEBAUT

For more than 190 years, we have been manufacturing linens for the most prestigious hotels and restaurants around the world. Hotel Collection by Garnier Thiebaut gathers our unique selection of hospitality linens for homes.

BOMBACIO
 by GARNIER THIEBAUT

A selection of home linen essentials for trendy and cozy interiors. Bombacio is the Latin word for "Cotton", and because materials matter we present a wide offer of products made from premium quality fabrics.

Committed to
 ——— *the best.*

Our products are designed in Gérardmer, France and Arlington VA, United States. They are then proudly manufactured by expert craftsmen around the world.

Behind 190+ years of
Experience

Garnier Thiebaut USA began servicing North America in 1997. We offer a close proximity to our partners through our headquarters in Arlington, and warehouse and sewing facilities in South Boston, Virginia. Upholding the same legacy of passion and expertise, Garnier Thiebaut USA manages the entire manufacturing process from dyeing the thread to the distribution of the finished packaged products. We specialize in home textiles, including: bed, bath, table and kitchen linens.
