Our companies specialize in architectural hardware and lightings. We create masterpieces made of bronze, brass and iron for private residences, hotels and retail projects worldwide.

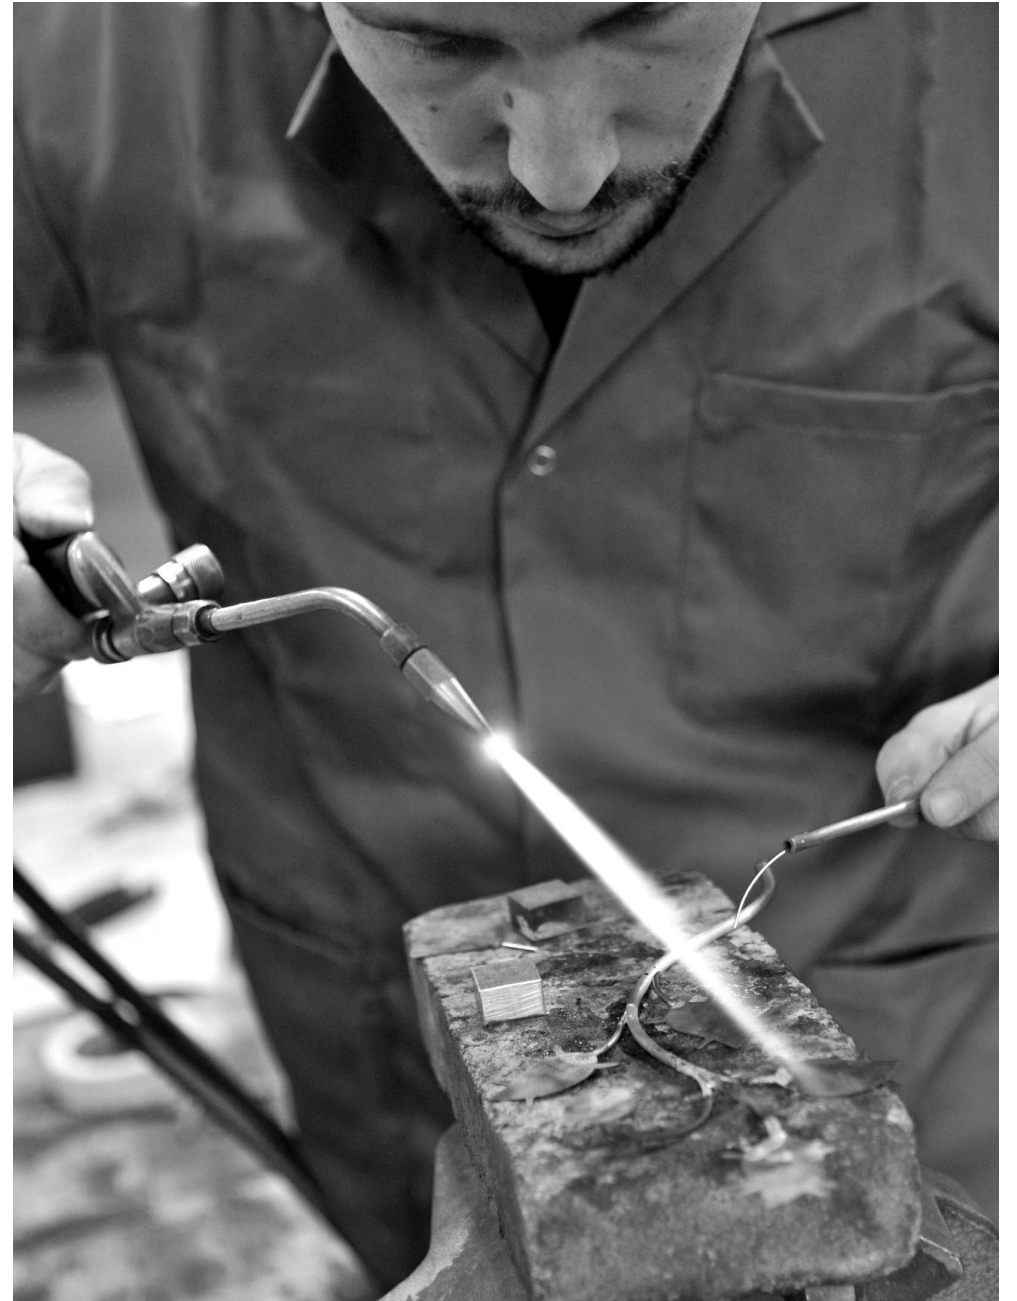

Our offer includes products in styles ranging from Louis XVI to Contemporary beauty. Moreover, we can create custom products for any projects. We blend tradition and innovation to create an authentic luxury experience.

UNIQUE SAVOIR-FAIRE

Our Maisons today employ 40 skilled workers, based in Normandy, France (Hardware and Lighting).

Foundry, hand-chasing, polishing, gilding, and plating... our artisans put their expertise at the service of your projects.

Our manufacturing capabilities also mean that we can offer extensive custom services. When a client desires a specific product, our skilled team of artisans and engineers can make it happen. Our design team makes it possible to bring to life all creations or customizations.
