WHAT CAN OUR WINE FRIDGES DO FOR YOU?

FUNCTION #1

Store and preserve wines with a storage wine fridge.

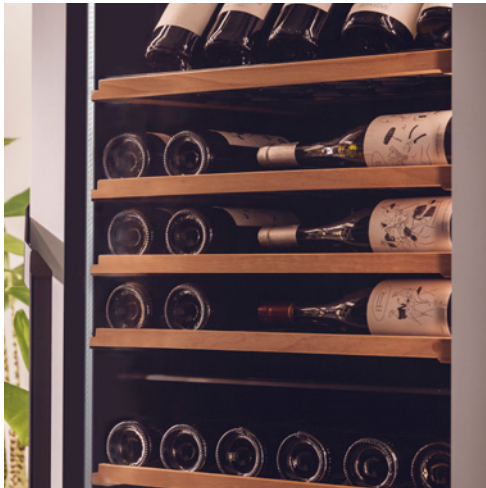

Also called a single-temperature wine cabinet, it maintains a constant temperature to ensure ideal storage conditions and keep your bottles secure.

FUNCTION #2

Bring to temperature and store wines with a multi-zone wine fridge.

Also known as 3-temp fridge, it features three independent zones to store reds, whites, and rosés at their ideal serving temperatures.

#1 UNIQUE SHELVES

Compatible with all bottle shapes and sizes
Easy access to your wines
Showcase your bottles your own way

#2 EFFORTLESS USABILITY

Plug & play installation
Intuitive touchscreen controls
Interior layout designed for daily use

#3 DESIGN & CUSTOMIZABLE

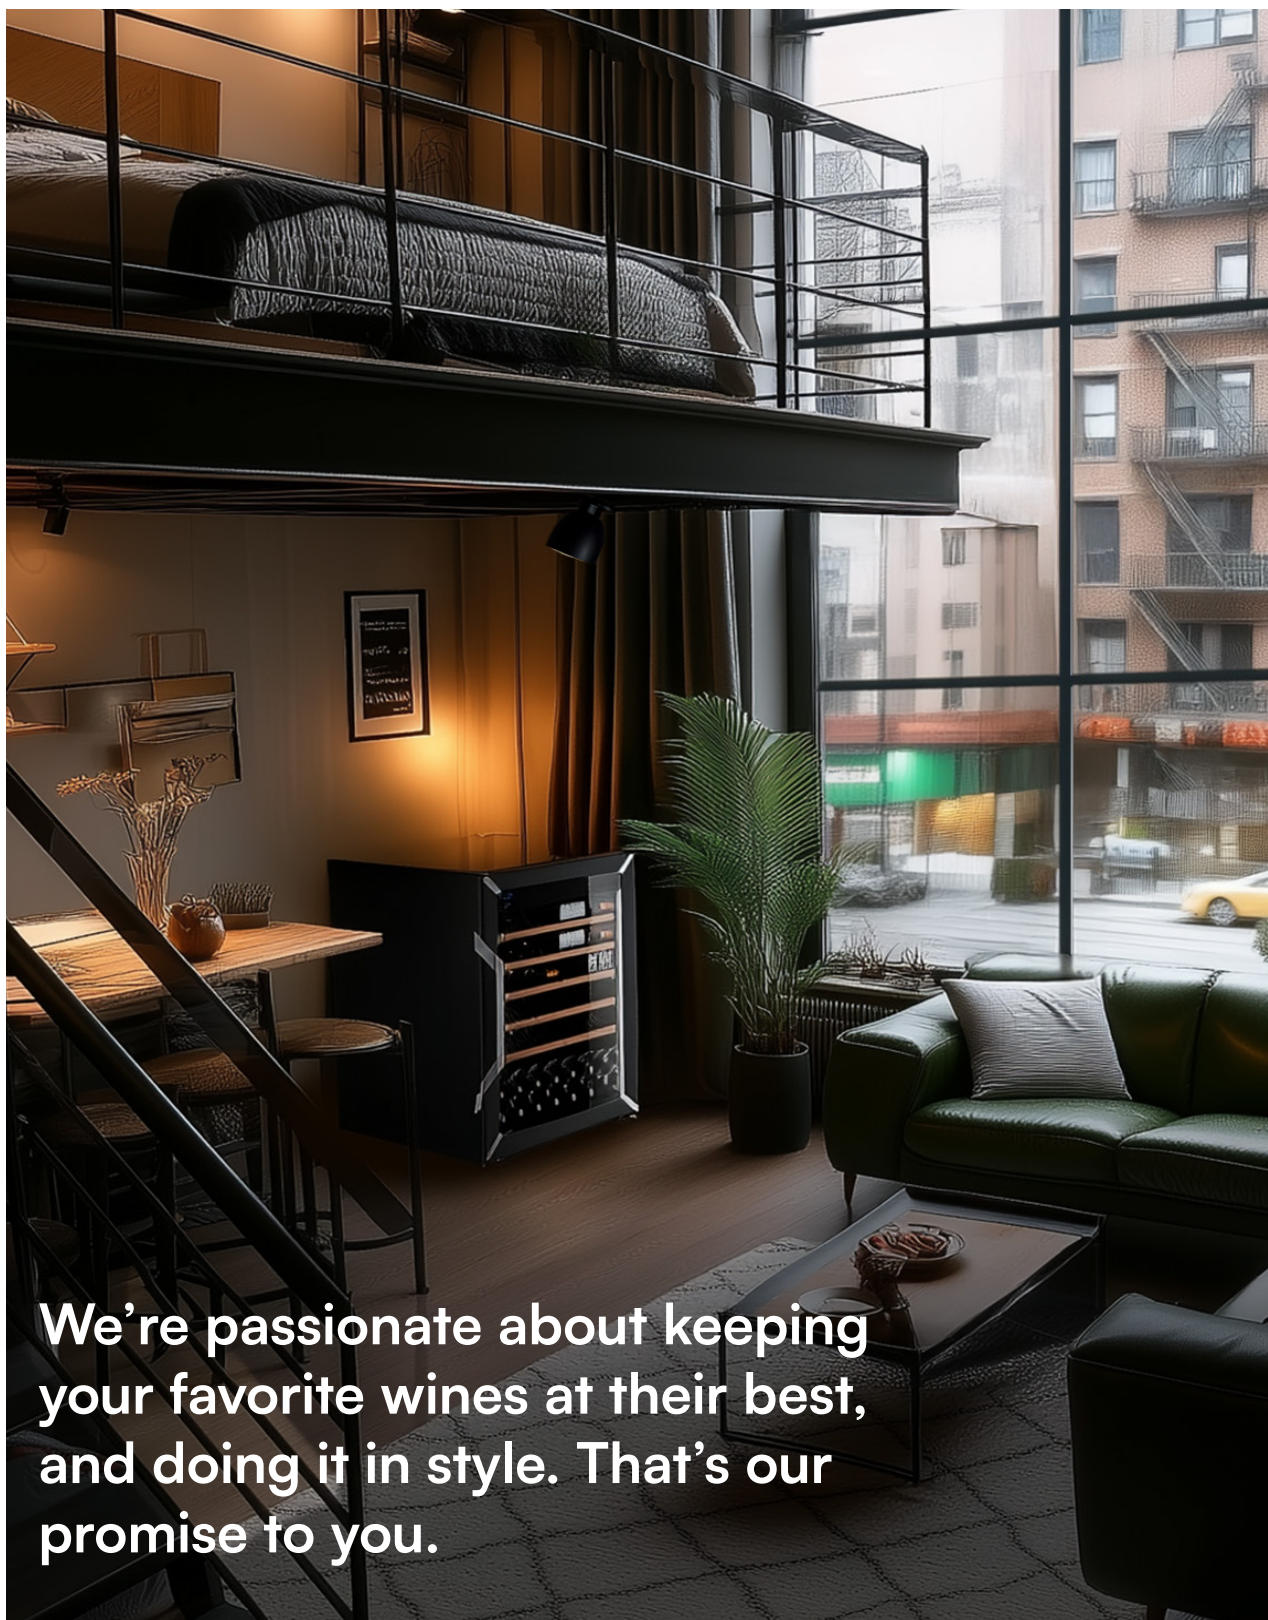

3 bold colors and details
Adjustable number and position of shelves
Wide range of accessories available

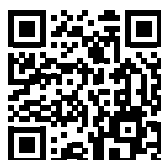

#4 PERFORMANCE & RELIABILITY

Premium material selection
Performance tested
35 decibels the charm of silence
5-year warranty

We're passionate about keeping your favorite wines at their best, and doing it in style. That's our promise to you.
