The background of the slide features a series of vertical stripes in two shades of blue: a vibrant light blue and a deep navy blue. These stripes are of varying widths and are spaced evenly across the entire background.

Getting ready for BIO 2026

Create your schedule

<https://reports.exhibitly.ai/en/bioconvention>

The screenshot shows the top navigation bar of the BIO International Convention website. The header includes the BIO logo, the event name "International Convention", and the dates "June 22-25 | San Diego". Navigation links include "Event Info", "Program", "BIO Partnering™", "Exhibition", "Networking", "Travel", "Sponsor", "Plan", "Register", and a search icon. On the right, there are buttons for "Sponsor" and "Register".

The main content area features a large banner for "AI Sessions at BIO 2026". The text on the banner reads: "Get real-world insight from industry thought leaders on the opportunities of AI to accelerate discovery and improve productivity." Below this text is a "Learn More" button. The background of the banner is a dark blue image with a glowing DNA double helix and circuitry.

A large yellow arrow points from the top right towards the "Generate itinerary" button in the bottom navigation bar. The bottom bar includes a "COUNTDOWN 25 Days" section, a "I work at" dropdown with "e.g. Novartis", an "as a" dropdown with "e.g. Head of R&D", and a "Generate itinerary" button. A "CLOSE" link is visible on the far right.
