

We have optimised each stage of the payment chain for a greater conversion

CHECKOUT: Convert more

- Customised payment page for maximised conversion: pop-up, redirected payment page, hosted form;
- Customers' preferred means of payment.

FRAUD MANAGEMENT: Control your risks

- Dedicated fraud team;
- Traffic monitoring of all our merchants;
- Tailored services to fight fraud and chargebacks.

AUTHENTICATION: Maximise the number of frictionless journeys

- Optimised rule-based system;
- Exclusive programs to optimise frictionless journeys.

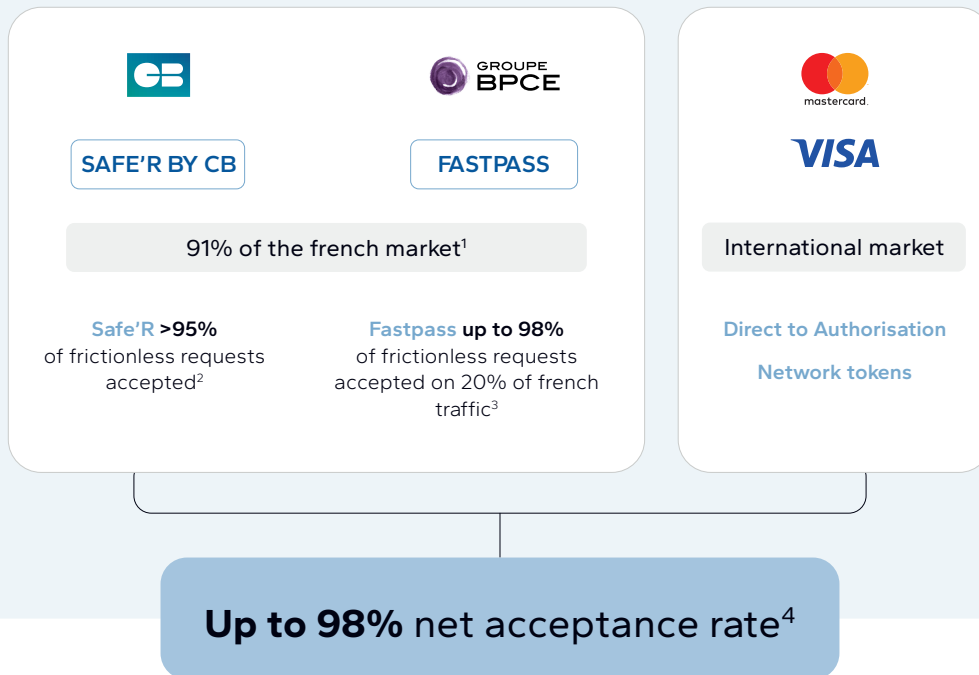

AUTHORISATION: Improve your acceptance rate

- Smart routing: Intelligent transaction routing;
- Smart retry: Automatic retry of failed transactions.

Leverage on our complementary approaches on french and international markets

Payplug is already connected to your environment
