

Keep every promise - faster, smarter, more sustainably.

In today's volatile experience economy, leaders stand out by orchestrating their uniqueness at scale.

Kbrw empowers your differentiation beyond traditional OMS:

Dynamic & governed

Orchestrate every promise from PDP to store or DC based on your business policies and success.

Circular & Service-ready

Enable returns, refurbish, recycle, and servicization (warranty, insurance, subscription)

Fast, Reliable, Scalable

+ 3-7 pts OTIF in 90 days;
- 30-80% picking time;
Lower working capital requirement

16 years

of experience & success stories

\$30.8bn

order value orchestrated annually

10x

faster orchestration performance.*

deployed in

123+

countries

Sense

Capture supply-side & demand-side signals

Decide

With policy-as-code automation (SLA, margin, ESG)

Act

Across stores, DCs, 3PLs, marketplaces

Improve

Test, learn and promote what works
